

ASSEMBLY BILL

No. 810

Introduced by Assembly Member Muratsuchi

February 21, 2013

An act relating to law enforcement.

LEGISLATIVE COUNSEL'S DIGEST

AB 810, as introduced, Muratsuchi. Law enforcement: data sharing.

Existing law requires all basic information stored in state or local criminal offender record information systems to be recorded in a prescribed form. For each arrest made, existing law requires the reporting agency to report to the Department of Justice concerning each arrest, the applicable identification and arrest data, and fingerprints.

This bill would state that it is the intent of the Legislature to enact legislation to ensure that appropriate methods are devised to allow law enforcement agencies to share data, as specified.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. It is the intent of the Legislature to enact
- 2 legislation to ensure that appropriate methods are devised to allow
- 3 law enforcement agencies to share data, including providing
- 4 accurate, timely information on ex-offenders from existing
- 5 databases within state and county agencies to local law enforcement

- 1 entities to facilitate their ability to monitor, and if necessary
- 2 apprehend, ex-offenders released into their communities.
